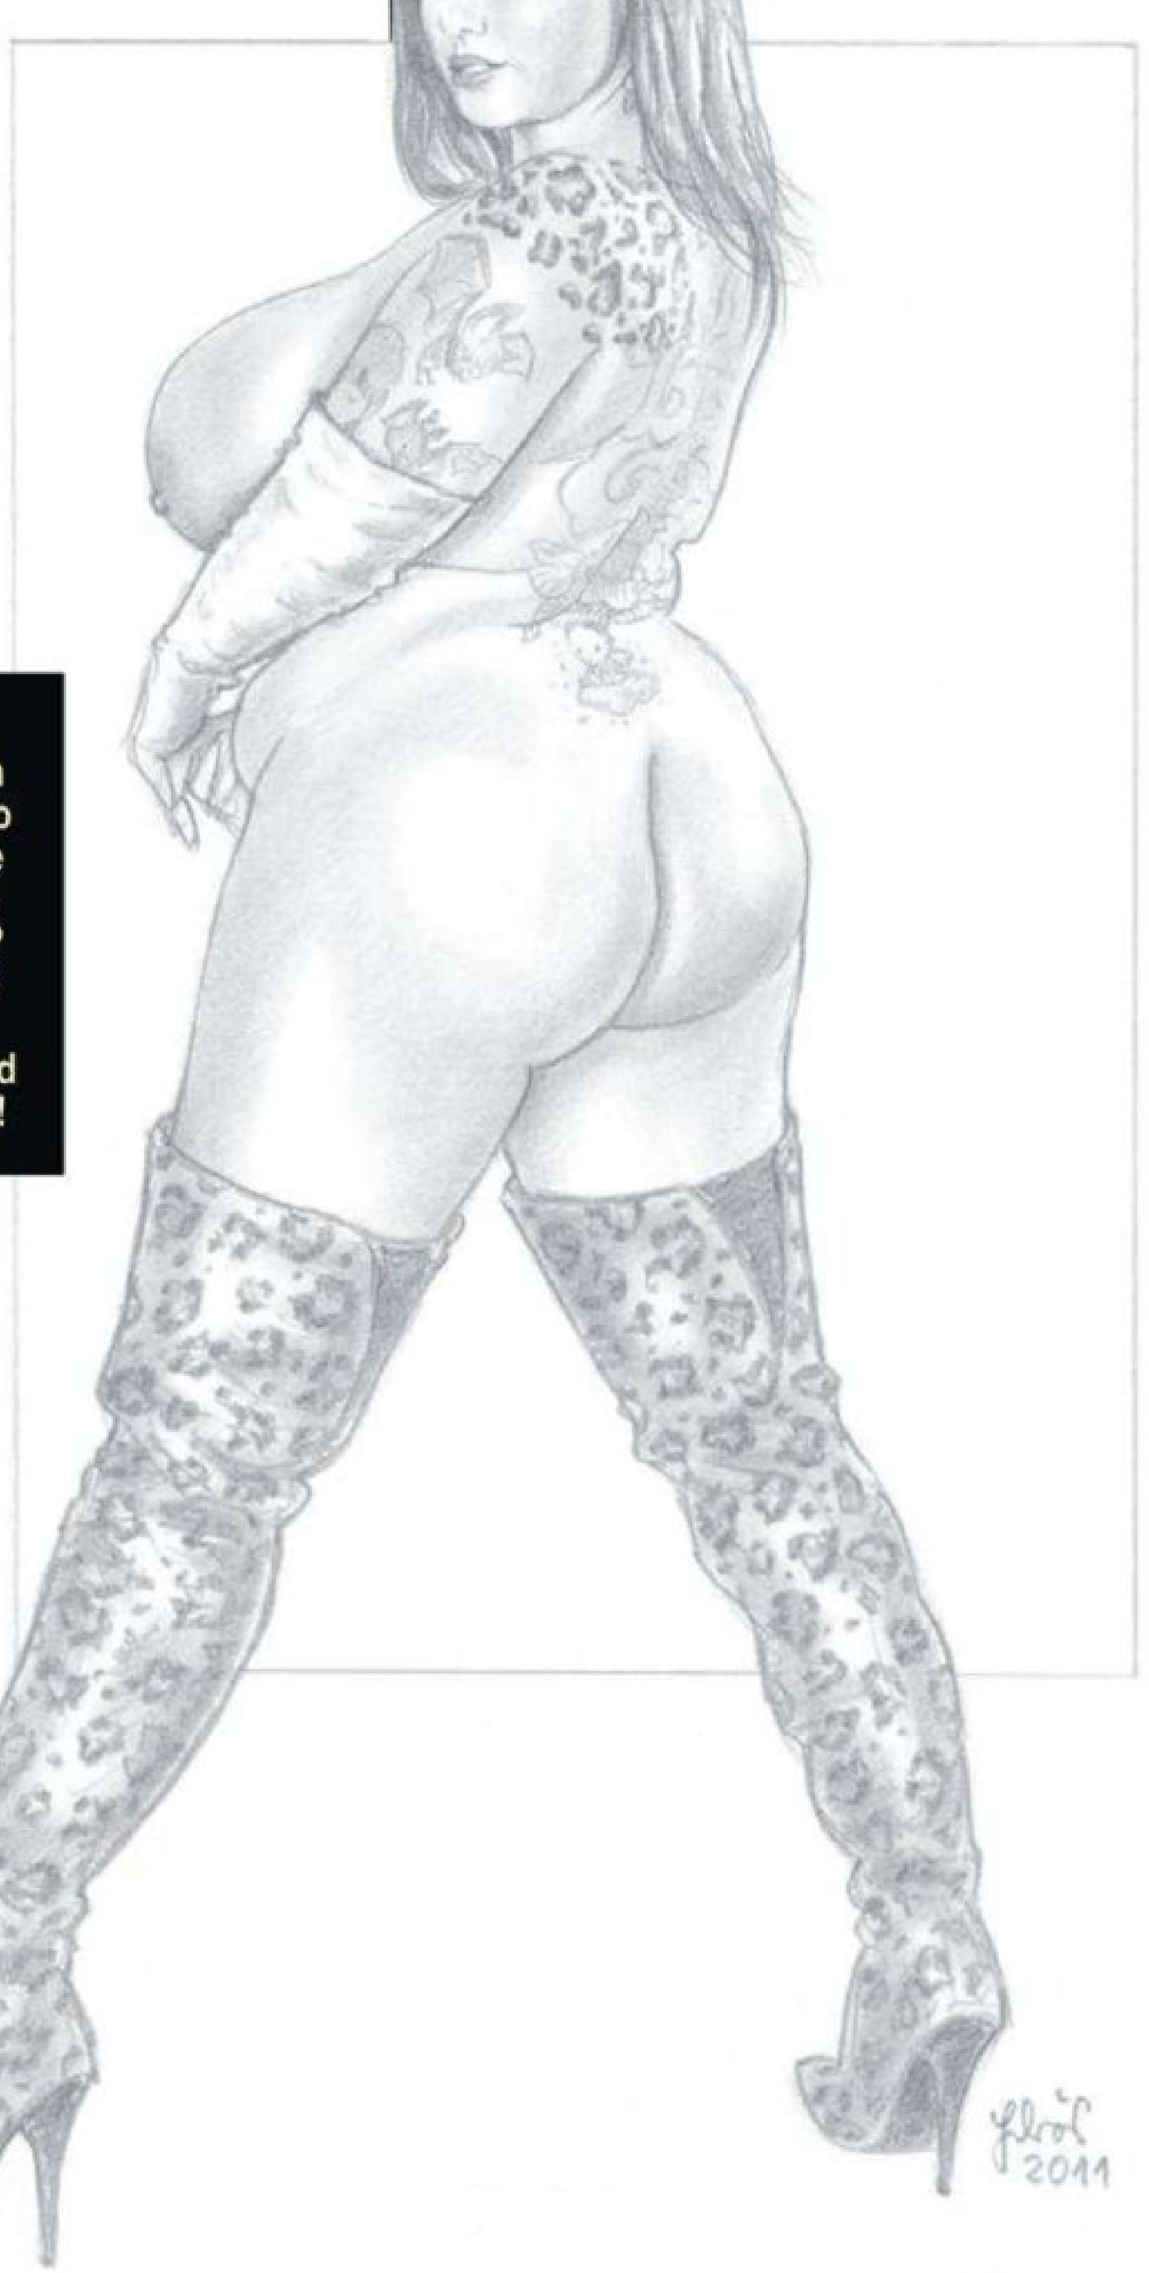
DORS FELINE LOOKS OH, SO FINE IN PENCIL!

Dear *Voluptuous,*

Writing in once again with another drawing. Last week I bought the May 2011 issue of *Voluptuous* with the interview and the fantastic photo set of Dors. This girl is so absolutely sexy–a class of her own! I really hope to see much more of her in upcoming issues. And here comes a drawing of this curvy lady–of course in boots.- H.D., via the Internet

Voluptuous reader, H.D. from Germany loves to draw his favorite V-girls in boots. His latest muse? None other than Brit titter, Dors Feline...in leopard boots, of course!



CHRISTY MARKS...THE DEBATE RAGES ON

Dear *Voluptuous,*

I am writing to you concerning Christy Marks. The June 2011 issue of *Voluptuous* referred to a controversy among readers in which some do not believe Christy Marks should appear in this magazine because she is too slim. I would very much like to see her in *Voluptuous.*

I subscribe to both *Voluptuous* and *XL Girls* magazine.

I get *Voluptuous* because I enjoy seeing natural large breasted women. They can be anywhere from slim to extra large and I

like to see them as long as they are natural.

I get *XL Girls* because I do enjoy seeing large women with big breasts as long as they are natural.

I do not subscribe to *SCORE* because I do not enjoy seeing ANY women with fake breasts.

I do appreciate all of The

SCORE Group's magazines. But I do not want to be forced to buy *SCORE* just so I can see Christy Marks.

I thought the primary difference between *Voluptuous* and *SCORE* was that *Voluptuous* has ONLY natural breasts and *SCORE* has both natural and fake breasts.

Having said all that, I love your magazines. Keep up the good work.–D.H., via the Internet

Dear *Voluptuous*,

I have been following the Christy Marks debate in V-mag for a while and I wanted to point out something to the readers who hate on Ms. Marks for being too thin. I would like to first state that I think that she is perfect for V-mag and that she should be featured all the time. But, I will chalk that up to my personal taste and opinion. I happen to think that she is very beautiful. However, if we are going to split hairs about who is too thin to be in V-mag, then why is no one discussing the (very thin) elephant in the room, Valory Irene? If you were to put these two women, side-by-side, I am fairly certain that Valory is even thinner than Christy. Why is no one pointing that out and making a fuss? All I have read is that Valory is a big hit with the readers, and while I think she is very beautiful and that her breasts are indeed, magnificent, I cannot help to think that there is some sort of double-standard happening here. If we are going to bash Christy Marks and say that she should not be in V-mag, then that

Some V-mag readers think that Christy Marks is too slim to appear in *Voluptuous*. But, what about Valory Irene? Is she too thin for V-mag, too? What do you think?

Czech hottie, Virginia Simms from the February 2011 issue doesn't show her pussy when she poses. But readers were more excited about her tiny panties than her pink.

standard should apply to Valory Irene as well. It is only fair.

Personally, I think the whole thing is silly. Both of these pretty ladies have great breasts and deserve to be in V-mag and any other magazine that they like. I think that the people who are bashing Christy Marks should also take into consideration that Christy is a human being and that saying negative things like that about her body might hurt her. I advise them to do what I do when one of the models that I am not fond of is featured...turn the page and move on. If you can't say something nice, then just appreciate what you can and let it be. Just wanted to chime in about that and also to say that you guys at V-mag are doing a great job. Thank you!–F.V., Anaheim, California

HOT CZECH BABE VIRGINIA SIMMS IS A TOTAL HIT

Dear *Voluptuous*,

I really have to comment on Virginia Simms' layout in the February 2011 issue. Do all women grow like this hottie in the Czech Republic? Because if they do, I need a one-way ticket. Her body is my idea of perfect. What really did it for me was skinny, little g-string she was wearing in the pictorial. I don't care if she never shows her vag. It was more of thrill just wondering where that tiny little string goes. Very sexy. Tell your staff to keep up all of the good work. And if you ever decide to do an all-Czech Republic issue, I'd love to come and help out.–T.C., via the Internet

Dear *Voluptuous*,

I wanted to write in and say that I think Virginia Simms from the February 2011 issue is incredibly beautiful. What a knockout! Her body is perfect and while most of your readers might complain about the fact that she does tame posing and doesn't show her pussy, I am floored by her tiny panties. They are very sexy. I found myself more aroused by those panties than if I had seen her bare pussy. Feature more of Ms. Simms, please. She's incredible.–E.O., Orlando, Florida

COMMENTS ON THE JUNE 2011 ISSUE OF V-MAG

Dear *Voluptuous*,

A job well done by Renee Ross–possibly the most deserving Model of the Year since the award's inception. Out of fan loyalty I voted for Cherry Brady (Best ass is a nice consolation prize, I suppose.) but Renee would definitely have been next on my list. Since her October 2009 debut she's just got better and her transition to XXX has been inspiring. She has a perfect combination of slutty beauty (And Renee, if you're reading, I mean

'slutty' 100% as a compliment.) and huge, soft, womanly, voluptuous curves. She's a total knockout, a perfect '10' in my book and any guy who gets to sleep with her is truly blessed beyond his wildest dreams.

Oh, to answer Maria's blog–"Full Frontal...Wedgie?"–I always thought the proper term for this was 'camel toe'. Do I like it? Does the sun rise in the morning? I like it because it looks...vulgar, I suppose. Only, in this case 'vulgar' means 'good'! So, yeah, please feature this sort of thing in the mag. I also like the pussy to be displayed by pulling the panties to one side and I also like to see fucking with the panties similarly displaced. I can't explain the appeal, except to say that it just looks horny!

As for Elliot's blog–"They Got Sole,"–sorry but I have never and will never 'get' the whole foot thing. I'm not denouncing anyone for liking feet but, to me, feet just aren't that attractive to look at, male or female. It just perplexes me why anyone buying and reading a BIG TIT MAG would give a damn about seeing bare feet on display. Shoes, however, give me a boner big time. I love patent stilettos and would happily jerk off over them all day long–in fact, I've ruined more than one pair of my wife's doing just that. Go figure.–K.S., via the Internet

"I used to be really prude when it came to sex and then one day, I came and then it was all downhill from there," Lola said. "Once a man has my fleshy tits in his hands, I can't help myself. I want to fuck right away. You know what they say about thick girls? We have a healthy appetite and that goes for everything, even sex. I love to fuck. I think that part of being this curvaceous is having a healthy sexual appetite. What can I say? I am a sexy man-eater!" We agree!

And what does Lola like about getting her ass drilled by a porn stud? Having anal orgasms, of course! "I was always into having my nipples played with and even my pussy eaten, because both of those things make me cum really hard. But, it wasn't until I was in college that I met a guy who wanted to put his cock in my asshole. And when he did, I came and I couldn't believe it. Having an orgasm from anal sex is one of the best feelings in the world. Once I started having anal sex, I became hooked! Now, I love to get my titties sucked, my pussy fucked and my ass speared!"

LEANNE CROW! 44-28-36

Interview by Tushna

Once upon a time, on the tropical island of St. Maarten, The SCORE *Group brought together a grouping of beautiful, busty babes and let them take over a great big house overlooking the bay. Who were the stacked sirens on location with our camera crew? None other than Michelle Bond, Angela White, Maggie Green (Who makes her debut on page 60 of this issue!) and Charley Green. But there was one more chest-blessed beauty on the island. Her name? Leanne Crowe. Her stats? Standing at 5'7", this British babe's measurements are 44-28-36 and she has a full, perky pair of 34J tits.*

In fact, you might just be smitten with Leanne. Don't believe us? Let's put it this way; we devoted an entire DVD to Leanne even BEFORE she made her debut in V-mag. V-MAG: Was that something that turned you on? Were you into that?

LEANNE CROW: Well, I like my feet being played with, so I liked that part of it.

V-MAG: Well, sounds like you had a good time, then. What else do you do for fun when you are home in London?

V-MAG: What's Nando's?

LEANNE CROW: It's a Portuguese restaurant. It's really nice. I get the spicy chicken there and I love it. I also like going to the movies a lot and watching horror movies. I love horror movies. And like any exhibitionist, Marille is totally confident that you like what you see, too. "Some men prefer tiny, skinny women, but I do not let that bother me. There are lots of men who love my body and want to fuck me. I have the body of a real woman. I feel free when I am naked. When I have sex in movies, I like to look at the camera. I'm staring at the men who are watching and letting them know that I want all of their cum."

Maggie likes to spend time in the kitchen because cooking is one of her hobbies. (And it doesn't hurt that she shakes up martinis with her tatas, either!) What else has Maggie accomplished with those sexy knockers? She once paid for an entire Spring Break vacation in Mexico by entering wet T-shirt contests and winning. "The other girls would see me coming and they would drop out of the contest!"

"I have never had a problem being naked, though," Maggie said. "I have always enjoyed the freedom of being nude. I used to change with my blinds open when I was younger and give my neighbors a show!" We aren't complaining about Maggie's penchant for exhibitionism. A lady who likes to cook AND be nude all the time? Maggie might just be the perfect woman!

"It's crazy because I was flat chested throughout most of my schooling."

kind of music do you listen to?

LEANNE CROW: I love R&B and Hip Hop. I like Soul music. I love ballads, like the ones sung by Celine Dion. Recently, I have been listening to Electro and dance music. I like it when all of the music is mixed up. I like to hear and dance to all kinds of music.

V-MAG: And you said that your favorite food is Nando's spicy chicken. Is that why your boobs are so big?

LEANNE CROW: [*Laughs.*] It must be because I eat chicken all the time. Someone told me that they inject chickens with hormones to make them grow. [*Looks down at her boobs.*] That must be what happened to me. [*Laughs.*]

V-MAG: So, when exactly did your boobs start growing? How old were you when they bloomed?

LEANNE CROW: I was a very late bloomer. I didn't develop until I was around 16 years old and then it was like they grew overnight. It was crazy because I was flat chested throughout most of my schooling. I remember that I would make excuses not to go swimming with the other girls because I was extremely flat chested and they all had boobs. I actually used to stuff my bra and I couldn't go swimming because it would be like I had boobs and then in a swimsuit, I didn't. [*Laughs.*]

V-MAG: But did you always want to have big boobs?

LEANNE CROW: Oh, yeah. I always wanted to have big boobs. I used to literally

pray every night for them. I would pray over and over that I would get boobs. I am not even kidding. I was desperate for them.

V-MAG: And you were completely flat chested? That's unbelievable.

LEANNE CROW: Yes, I was this flat chested geek. It was crazy. If you saw a picture of me then and one of me now, you wouldn't believe it. I was a stick. I was literally flat as an ironing board.

V-MAG: And they just grew when you were 16? One day to the next?

LEANNE CROW: [*Laughs.*] Practically. I mean I used to tell my mom all the time that if I didn't have boobs by the time that prom came around, that I was not going. I mean, I always envisioned myself in a long dress with cleavage at my prom. Then, a few months before my prom, I went from nothing to a C-cup. They just sprung out and all of a sudden, I had boobs.

V-MAG: As if your fairy godmother came down and gave them to you.

LEANNE CROW: [*Laughs.*] I prayed pretty hard. My prayers were answered.

V-MAG: And when did they start to get really big, Leanne?

LEANNE CROW: Well, they grew almost instantly from a C-cup. They just kept growing and growing and growing. And then I went to get measured and they were like, 'You are an F-cup.' And I was in shock. I was buying C-cup bras and I was an F-cup! I was busting out of my bras, but I thought I was, like, a D-cup. But it was because at that point, I didn't understand cup sizes. I was only, around, 17 at the time.

V-MAG: Wow! Right before your 18th birthday, your boobs went wild. And what size are they now?

LEANNE CROW: Well, I used to be a HH-cup and then they grew recently. So, now I am a J-cup. Almost a JJ-cup.

V-MAG: So, where do you get your bras? You can't get them in a store…

LEANNE CROW: I usually buy them online or at Fredericks of Hollywood. But, you can see right now that I have one of their bras on and I am busting out of it. I am four boobing, as I like to call it because you can see that I have quite a bit of boob coming out of the top of my bra. Like, they don't fit.

V-MAG: Well we don't mind that you are busting out of your bra.

LEANNE CROW: [*Laughs.*] It's crazy because sometimes I have to wear two bras at the same time, just to handle the weight of my breasts. And the straps really hurt my shoulders. And then there are bras like this one that push up my boobs, so I have, like, four of them. So, I have to wear one like this that pushes my breast up and then another, full-coverage bra…I call them granny bras. [*Laughs.*] So, I have to wear a granny bra over the push-up bra just to contain all the over spilling boobs. It's pretty intense. [*Laughs.*]

V-MAG: We don't think you are ever going to be able to contain your boobs.

LEANNE CROW: [*Laughs.*] I know!

V-MAG: So what kind of bras do you like to wear?

LEANNE CROW: I like bras that can hold all of my boobs in them, you know, like give me support and all that. But, at the same time I want them to be sexy. I like bras that are lacy and sexy. But it is hard to find all of those qualities in one bra. I mean, I like plunging bras, that have a deep V in the front, but they don't make them well in my size. They don't offer me enough support. I am just going to have to start making my own it seems.

V-MAG: You would certainly be helping a lot of big boobed ladies if you designed bras. On another note, tell us what your hobbies are, Leanne.

LEANNE CROW: My hobbies? I love wrestling. I used to wrestle my little brother when he was younger. I used to pick him up over my head and do this move called the 'STFU'. It's a John Cena move. I used to slam him down on the

V-MAG: Aww, well who are you wrestling these days?

LEANNE CROW: I actually just wrestled with Juan Largo, the porn star, today. [*Laughs.*] He wanted to see my skills and I dropped him to the floor!

V-MAG: Wow! You do have skills. Tell us, Leanne, what do you wear when you are wrestling?

LEANNE CROW: Well, if I am wrestling a guy, I like to look sexy. I will wear little boy shorts and a vest that shows off a lot of cleavage. But, if it's my girls, then it doesn't matter what I have on. We will just grab one another and wrestle.

V-MAG: Wait...that sounds kind of violent. Are you injuring these people? Or is it more for fun?

LEANNE CROW: [*Laughs.*] Well, like the other day, I was fooling around with my friend; we were having a pillowfight. It started off as fun and games and then I just threw the pillow and I grabbed her and started wrestling her. I took her face and shoved it into my cleavage. It was a lot of fun. I kick ass. [*Laughs.*] It's true.

V-MAG: [*Laughs.*] When did this fixation with wrestling begin?

LEANNE CROW: I used to stay up late and watch wrestling when I was younger. It used to come on at 2 a.m.

V-MAG: And what is it that you like about it? Is it the physicality of it?

With full 34G guns, this thick hottie from North Carolina decided to model after seeing our ad in a magazine. "I saw the ad for models so I called the number. I've never tried any kind of nude modeling before. But, it was one of those things that I've always wanted to do. I am usually a very private person, but something about nude modeling spoke to my kinky side and made me horny. Now I can say that I've done it. I hope everyone likes my video and photos!"

Like most models nowadays, Lisa decided to do hardcore after only a few solo photo shoots. What made her change her mind? She loved the way her photos came out!

"Seeing myself all done up and looking sexy turned me on. So, I figured, why not do it on camera?" she said. And what was Lisa's favorite part? Getting the pro treatment. "I've always been sexual but regular sex is so different from sex with a professional stud who knows how to teach a girl what positions work best and how to move her body with a camera five feet away from us."

den they fight and kick ass. I think that is awesome. I would love to wrestle because it is a lot of fun. But I would be lying to you if I told you that I didn't watch it for the men. [*Laughs.*] There are some very good-looking men on that show and I love to watch their bodies in motion and see them slamming into the mats. I think they are very hot.

V-MAG: Well, it sounds like you are an aspiring wrestler. I am sure that you will do well, especially having such big boobs. They might work out to your advantage, actually.

LEANNE CROW: They could be useful. I would use them in my finishing move. I could pin someone with them. [*Laughs.*]

V-MAG: Do your boobs get in the way sometimes when you are doing all of this physical stuff?

LEANNE CROW: Sometimes they do. I mean, they are very heavy and if I am running or something like that, the weight of them bouncing up and down makes me get out of breath a lot faster than if they weren't big. That works against me. But, sometimes they work for me. Like, I can run at someone and then whack him or her in the face with my big boobs. I have done that before.

V-MAG: We'd like to talk to you about what turns you on and what kind of guys you like. What type of men are your ideal men, Leanne?

LEANNE CROW: I like to say that I don't have a type. I mean, every girl likes someone tall, dark and handsome, but that is not the only thing that attracts me to someone. I actually like for a man to be funny. And he has to be able to have a good conversation. If he can't keep me interested or have a good conversation with me, I don't care how good-looking he is. I will not be interested. He has to have a great personality in order for me to be really interested in him. And a lot of times, some of the hottest guys have got the worst personalities. That is a really big turnoff for me.

V-MAG: What's the best way for a guy to approach you and ask you out?

LEANNE CROW: I like it when guys come up to me and don't try and front and act like they are something that they are not. I am not interested in material things and people who throw their money around. I would date someone who didn't have money. I prefer to date

someone who is real. If you come up to me, you should just be yourself. I don't want to know about all the things that you have. It is not important to me who makes your designer watch or what car you drive. You should just come up to me and talk and be yourself.

V-MAG: Do you like for guys to come up to you? Or have you ever gone up to guys and hit on them?

LEANNE CROW: I have gone up to guys before, yes. But my pick-up lines suck! [*Laughs.*] I never have anything witty to say. I just go up to guys and ask them if they have a girlfriend. I just literally walk up to men and say, 'You are cute. Do you have a girlfriend?' And they always say no. Even if they do have one. It is the worst pick-up line of all time. [*Laughs.*] So, when I ask them that, I say, 'Cool. Can I have your number?' and that's that. I never have anything very creative to say. I am not that cool.

V-MAG: And when you date a guy, how long does he have to date you before he actually gets lucky?

LEANNE CROW: The guy who I recently dated had to wait two months. I am not going to lie to you and say that I haven't done it on the first night, because I have. But, I am not into that. If I like you, I want to wait because I respect you. If I really like someone, I actually get shy in the bedroom. I mean, I have a high sex drive, but when I like someone, I get shy. Sometimes, I need for them to make the first move when it comes to sex.

V-MAG: And when do you come out of your shell? Do you get aggressive?

LEANNE CROW: Once I am comfortable, I can be aggressive.

V-MAG: And what do you like done to you in the bedroom?

LEANNE CROW: I prefer a man to squeeze my breasts rather than playing with my nipples because they get sensitive and it doesn't feel good. I like soft caressing and squeezing, but not too much playing with my nipples.

V-MAG: When you are with a man, do you use your breasts to please him?

LEANNE CROW: I do whatever it takes. I ask him what his fantasy is and I do it.

V-MAG: Well, Leanne, we have to let you go back to your photo shoot. But, we would like to thank you for your time today and we hope that we see more of you, soon. Where can they find you?

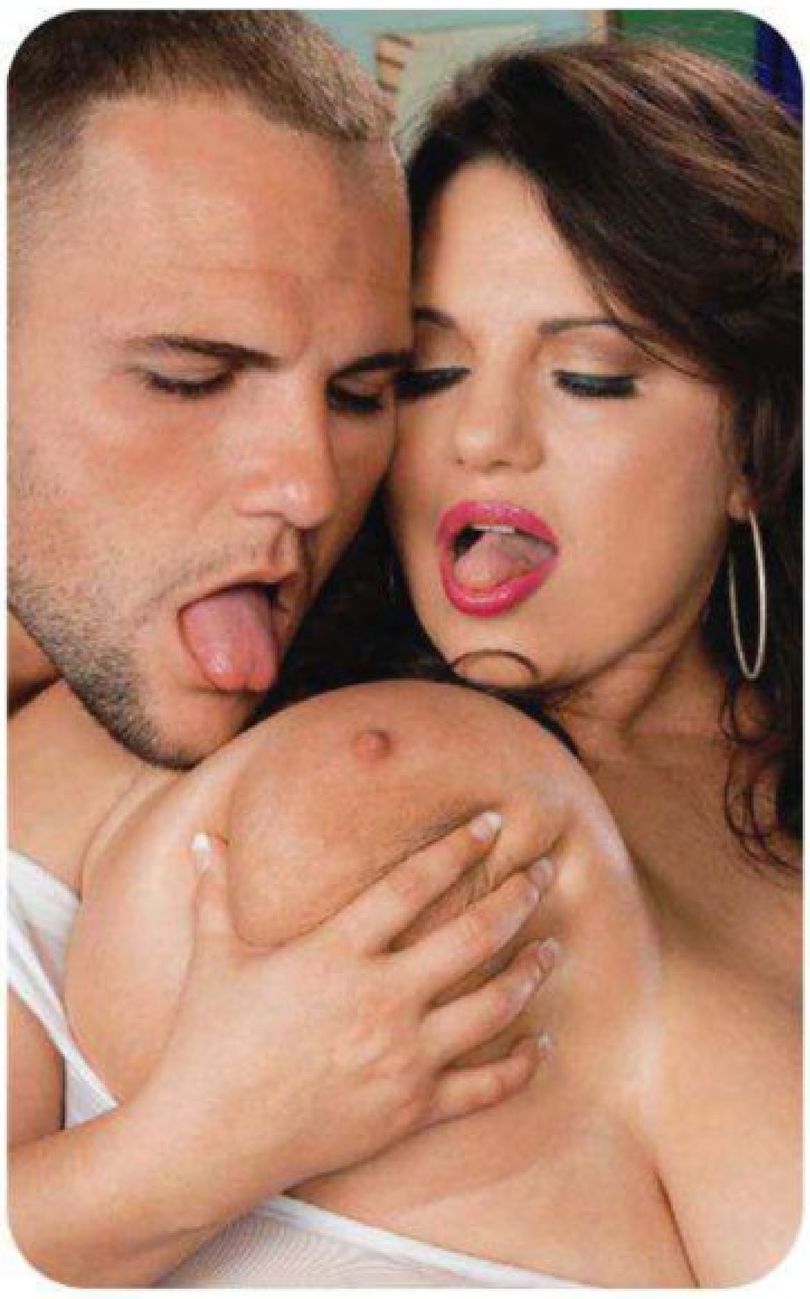
Melonie Max

Melonie Max has garnered lots of praise and props from many nipple-lovers since her debut in the May '10 issue of V-mag. This Vegas native is not only packin' some serious tit power with her G-cup tatas, but she is also packin' a lot of heat in the sex department. "I love sex and kink. I watch a lot of dirty movies on the Internet. I like to watch lesbians fuck and I love to watch gang bangs. I think that the dirtier the porn, the hotter I get. If it's something naughty, I get wet right away." What else makes Melonie wet? Fucking on camera with professional studs. "I have a very decent sex life at home," she told us with a smirk, "But having sex on camera with a very-hung stud was incredible. I really enjoyed being fucked by someone who knew how to hit all my spots. I came like three times while the camera was rolling. I would have never thought that I would enjoy having sex on camera as much as I did."



Wham! Bam! Thank you, Ma'am!

Melonie attributes her sex drive to developing at an early age. "I always had big boobs. I think I just started off as a C-cup and then it just grew from that. I went to a D, and then a DD and so on to G. As I got older, they grew. It runs in my family. All the women on one side of my family have big boobs. I think that when you develop at a young age, you are just naturally curious about sex. I started having sex very early and I've been a wild woman ever since!"

Melonie might be a wild woman, but she says that she lives a relatively quiet life in Sin City. "I go out occasionally. I mean, I live in Las Vegas, but that doesn't mean that I go to the Las Vegas Strip every night. If I do go out it's not to the Strip, it's usually to a local place. I like to go out for dinner and some drinks. I like to keep it low key."
